Superintendent

Time spent in high school often seems to the student the longest period in his life. To parents, teachers, and friends it is just the opposite, as freshmen turn into seniors in what appears the passing of days, not years.

The memories reflected by the pages of this annual are much the same. Each time a page is turned and each time the dust is wiped from its cover the problems, the failures, the heartaches that seem so real now will fade into far distance. Brightened by the years, however, will be friendships made, games played, trips enjoyed, and all the happy experiences as that great teacher--the passing of time--makes us realize that the important values in life are often those things which we overlook until they become history.

May these passing years bring you fond memories as well as a firm realization that devotion to learning and faith in God, country, family, and friends are the real and worthwhile experiences that give the complete EDUCATION which is meant for each and every individual.

Sincerely,

Leslie B. Bryan

Superintendent of Schools

Principal

In the years ahead, as you turn through the pages of your '68 annual and see the familiar faces and scenes, you will be reminded of the many happy hours spent in pleasant association with friends of the faculty and student body. Your annual staff has done an excellent job in compiling a pictorial record of the year's activities. One of the surprising things about the PANTHER is the fact that it will become more valuable to you as the years come and go.

It is my wish and hope that the ties that bind you to Mart High will continue strong and your memories remain bright and pleasant.

SENIOR CLASS OFFICERS: (left to right) Steve Foster, President; Gary Koester, Vice-President; Louise Reistino, Secretary; and Leon Glassie, Treasurer.

A Senior at Mart High School is a combination of many things: wisdom and foolishness, aspirations and shortcomings, joys and sorrows. We are all the same, yet totally different from one another. When we receive our diplomas we will leave behind many memories of life at MHS and we will step into a new life that will hold even fonder memories. We will be freshmen once again. Thanks to Mrs. Knebles for her hard work that made our last year at MHS a great success.

JUNIOR CLASS OFFICERS: (left to right) Tom Felton, Vice-President; Mary Muhl, President; Eddie Headen, Treasurer; and Johnny Lowe, Secretary.

A busy year unfolded for the Juniors with the opening of school. Besides their academic schedule of English, Latin II, American History, geometry, typing, and chemistry; they were active in many extracurricular activities such as band, football, basketball, track, volleyball, and baseball. At the beginning of school, the class enthusiastically backed its sponsor, Edith Sockwell, and was well rewarded by winning second place. In December the curtain rolled back on the Junior Play, a comedy entitled "Grandpa Goes to College." The highlight of the year was the Junior-Senior Banquet. This final tribute to the graduating Seniors followed the theme, "Arabian Nights." The night was a memorable one for all. Excitement ran high with the arrival of the Senior rings in the Spring. The Juniors had one cheerleader, Katha Graves, who represented the class very well throughout the year. The Junior Class of 1968 would like to thank Mrs. A. B. Childers for her help in making our year so successful and worthwhile for us. We will always remember this year.

The Sophomores were kept busy during the year with such courses as English, Latin II, Spanish, geometry, algebra, and history. Several members of the class participated in the UIL contests in the spring. Both boys and girls were active in sports. The Sophomore sponsor was Donna Jurecka. She represented the class in the Homecoming parade. Our float won third place. Several organizations that the sophomores took part in were FHA, FFA, National Honor Society, Math Club, Latin Club, and Annual Staff. This had been a great year for the class of '70 and all looked forward to another great year as Juniors.

FRESHMAN CLASS OFFICERS: (left to right) Sara Fuentes, Vice-President; Bud Chadwell, President; Sally Dennis, Secretary; and Dana Wiley, Treasurer.

The Freshman class of 1968 knew they had a busy year ahead of them with the ending of the summer vacation. The year started off with football practice, the sponsor contest, and the best thing of all, the "Senior Initiation." The class elected Sally Dennis as our sponsor. The academic schedule for the Freshmen of '68 included English I, algebra, related math, biology, vocational agriculture, and homemaking. Football, basketball, track, volleyball, and baseball headed up the extracurricular activities for the FISH. A special thanks goes to Mrs. Jack Davis and Mrs. Lucian Read for making our first year of high school a very successful one.
